

# Americans Get What We Deserve

By David J. Stewart | April 2009

***Jeremiah 17:5, "Thus saith the LORD; Cursed be the man that trusteth in man, and maketh flesh his arm, and whose heart departeth from the LORD."***

In 1962, prayer was banned from the public school system. Teachers were thereafter forbidden from leading students in prayer. In 1963, the Word of God was banned from America's public school system. Teachers were no longer allowed to read the Bible at the beginning of each school day. Then in the 1960's, the myth of evolution began to be widely taught in our public schools. The consequences have been devastating to America. The graphs below are NOT opinions. They are fact! Please pay careful attention to [1962 and 1963](#), the years that our tax dollars began paying for the brainwashing of our children.

As we listen to the news each day decades later, we are hearing about the most horrifying things happening. We are now paying for our rebellion against God. I just heard on the news yesterday (April 4, 2009) about a madman in Birmingham, New York, who shot and killed thirteen people. In Massachusetts, a 38-year-old mother stabbed her 2-year old daughter to death with a pair of scissors. In Oak Lawn, Illinois, a 17-year-old boy murdered his 46-year-old mother. In Sun Prairie, Wisconsin, a 24-year-old man stabbed his 31-year-old neighbor to death with a sword. This is all in yesterday's news.

We read hundreds of similar stories every week in the United States. We are getting what we deserve as a nation for forsaking God. Here are some Scriptures which are applicable to the United States today...

**Proverb 14:34, "Righteousness exalteth a nation: but sin is a reproach to any people."**

**Job 4:8, "Even as I have seen, they that plow iniquity, and sow wickedness, reap the same."**

**Psalms 55:11, "Wickedness is in the midst thereof: deceit and guile depart not from her streets."**

**Psalms 84:10, "For a day in thy courts is better than a thousand. I had rather be a doorkeeper in the house of my God, than to dwell in the tents of wickedness."**

**Proverbs 30:20, "Such is the way of an adulterous woman; she eateth, and wipeth her mouth, and saith, I have done no wickedness."**

**Ecclesiastes 3:16, "And moreover I saw under the sun the place of judgment, that wickedness was there; and the place of righteousness, that iniquity was there."**

**Ecclesiastes 7:15, "All things have I seen in the days of my vanity: there is a just man that perisheth in his righteousness, and there is a wicked man that longeth his life in his wickedness."**

**Ecclesiastes 7:25, "I applied mine heart to know, and to search, and to seek out wisdom, and the reason of things, and to know the wickedness of folly, even of foolishness and madness."**

## **It's Not That Hard to Figure Out**

Every time there's a horrible crime committed in America, the manure-spreading newsmedia flocks to witnesses, friends and relatives of the victim(s) to get their opinion. People always say the same lame things. They make statements such as, "Bill was the best guy in the world. It makes no sense. Why would anyone want to hurt a great guy like Bill?" Or they'll say something like, "Jane gave a lot to the community. She was a good mother and wife. We just can't figure out why someone would do such a thing." It's really not that hard to figure out. We have removed children's moral compass. You can't teach children that they evolved from apes and then actually expect them to grow up to believe in morals. The fable of evolution robs a child of faith in a Divine Creator, i.e., a God Who has rules that He expects us to live by. No wonder America is in such a big mess today. And you can believe it's only going to get worse, much worse!

Case in point, a father snapped today in Graham, Washington, killing his five children in a shooting rampage, and then took his own life. Mary Ripplinger, whose kids were playmates of the slain, stated, "How could something like this happen?" She further stated, "Everyone's asking: Why did he do it? It's not right." Is it really that hard to figure out? Look at all the violence Americans watch on TV . . .

***"The American Psychological Association says the average child watches 8,000 televised murders and 100,000 acts of violence before finishing elementary school. That number more than doubles by the time he or she reaches age eighteen."***

**SOURCE: John Johnston, "Kids: Growing Up Scared," Cincinnati Enquirer, March 20, 1994, p. E01.**

It has been proven through many studies that violence on television DOES increase social violence . . .

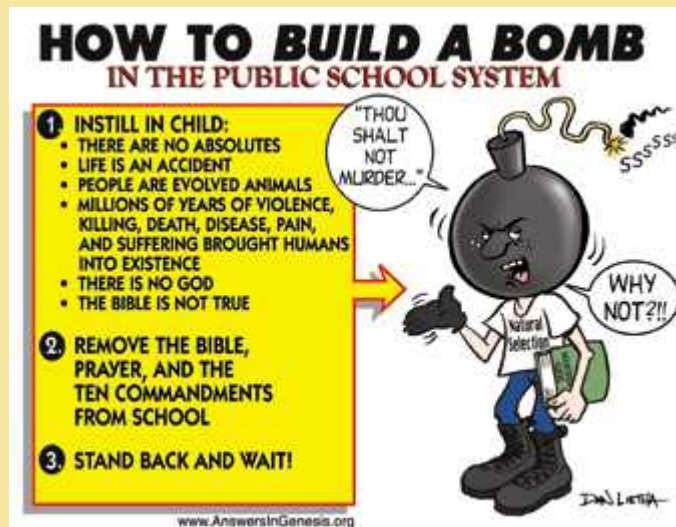

***"The Parents Television Council cites a review of nearly 1000 studies presented to the American College of Forensic Psychiatry in 1998. They found 'that all but 18 demonstrated that screen violence leads to real***

## ***violence, and 12 of those 18 were funded by the television industry.'"***

Mary says, "Everyone's asking: Why did he do it? It's not right." Now, I'm no expert, but I think it might be because we as a nation have forsaken God, prohibiting public school teachers from reading the Bible to the students, prohibiting public school teachers from leading children in prayer, allowing our children to view thousands of murders on TV and requiring public school teachers to tell children they evolved from apes. When are we going to wake up as Americans are stop kidding ourselves?

Americans want to spit on God, murder babies by abortion, fornicate, dress and act like whores, promote witchcraft, watch immoral sex and violence on TV, glorify wickedness in "Sin City" Las Vegas; but then freak out when someone actually does what they've enjoyed watching on TV a thousand times. America is a sicko society. Repent America!

## **Heart Problems—Code Blue!**

While mass-murderer, John Wayne Gacy, was still alive, he was interviewed numerous times by Helen Morrison, a forensic psychiatrist. When Gacy was executed, she came back to get his brain, and dissected it to see if there were any "tumors, scars, disease - that made it abnormal."<sup>1</sup> Morrison eagerly awaited for the results to come back from the pathologist, which simply stated, "Normal brain."<sup>1</sup> Morrison states, "What makes a serial killer? After all these years, I still don't know."<sup>1</sup> Helen Morrison still has Gacy's brain stored in a plastic bag and "hopes that one day DNA or other scientific advances may lead to new tests."<sup>1</sup> If Morrison were a Christian and read the Bible, she would know that the problem was in Gacy's wicked heart. **Jeremiah 17:9, "The heart is deceitful above all things, and desperately wicked: who can know it?"** Mankind is inherently evil, which is why there is so much sexual perversion and violence in society today. People can't seem to view enough sexual filth and violence on TV. We are a society in denial.

The same experts who sit in bewilderment as to why John Wayne Gacy killed 33 young men, have no qualms with the brutal murder of 5,000 innocent children every single day in America by abortion. We are a warped, hypocritical society in America. Whether it be

Gacy's victims or the victims of abortion, it is murder. So if you want to figure out what made the sicko Gacy do what he did, then look for the same reason why Americans brutally murder their own children by abortion, because the reason is the same—a wicked heart of rebellion against God. Our society wrongfully categorizes sin, calling abortion acceptable and even respectable in many cases; while the mother who uses scissors to kill her 2-year old daughter is demonized and charged with homicide. It is not surprising to see such utter perversions of justice in view of the fact that God's Word has not been taught to public school students since 1963. Those children have grown up, and are now judges, and abortion doctors, and politicians, and lawmakers, and fornicators who irresponsibly conceive children they don't want.

## Sin Country USA

The Bible says that **"the whole world lieth in wickedness" (1st John 5:19)**. This is still true 2,000 years after the Apostle John wrote those inspired Words. Mankind is filled with hypocrisy. The same Americans that sit in church on Sunday morning, flock to "Sin City" Las Vegas by the millions each year to indulge in lust, strip clubs, fornication, adultery, drunkenness, gambling, idolatry and every sin imaginable. Do we really trust in God? Are we really one nation under God?

I get nauseated every time I hear our nation condemn China for human rights abuses. We have forced abortions right here in America, except it's the father's who are [denied their child's life](#).

Our nation is confused on everything, and to no surprise, for we've had no moral compass since 1963 in our schools. The Bible has been replaced with evolution, and Christianity with humanism, and Jesus with Santa Claus, and the Ten Commandments with psychology. Our young people's idols are perverted Rock 'N' Roll singers, like [Madonna](#), who not only blasphemes Jesus Christ in her filthy book, *SEX*, but also portrays herself as receiving oral sex from a dog. Is this your child's hero? Madonna is sinfully idolized by millions of American teenage girls. Was the Bible really all that bad?

As Americans, we are today getting what we deserve, judgment, and there's much more on the way. We've just seen the beginning. As much as I hurt when I hear about bad things happening to people, I have little sympathy for a Godless, spoiled-rotten society that spits in God's face, just as they [spit in Jesus' face](#) in the Bible. How can we seriously ask ourselves "why" when people do the unthinkable in our society? We are getting what we deserve. We have caused this problem for ourselves by keeping the Word of God from our children. For the past 50 years since 1963, America's public school children have been taught the fable of evolution, while being steered away from the inspired Words of God. Don't act so innocent and bewildered when your neighbor does the unthinkable, we live in a Godless nation.

## I Apologize to You God

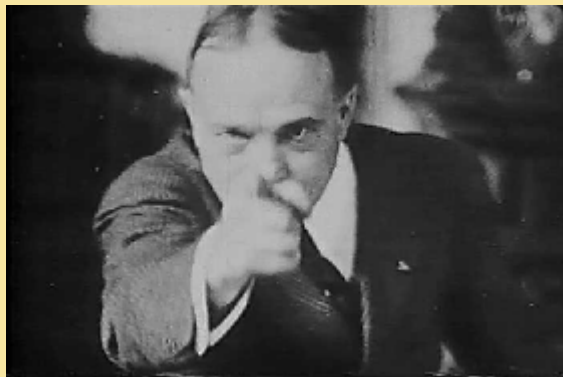

I apologize to you God for the way we mistreat you in America. We are wasteful people, throwing [14% of our food](#) into the garbage, while children in Haiti [eat mud to survive](#). We use [kitty-litter made from corn](#) for our pets to poop in, while [18,000 children die](#) from starvation every day in the world. Something is very wrong with us. We curse in your holy name without fear nor gratitude for your blessings. We complain about everything,

demanding our rights to live in sin. We mock you and blaspheme Your holy character on Late Night shows, portraying the Son of God as a [homosexual voyeur](#).

Our women dress and behave like whores, many of whom are whores, [claiming it is Your will](#). Country singer, [Taylor Swift](#) is a disgrace to the United States, being honored when she ought to be shamed for her sinful lewdness on TV. Lesbians are getting married, starting [so-called Lesbian Christian ministries](#), and are saying that You approve of this abomination. I'm sorry, Oh Lord. Where will this insanity lead? America is [beautiful no more](#). Our pastors are saying "[gay is ok](#)." Some pastors are saying that the election of Barack Obama, a Godless Communist who supports abortion and homosexuality, is "[wonderful](#)." Other pastors are saying that the evils of abortion and homosexuality are a "[minor concern](#)" in the church. I apologize on behalf of these apostate pastors Oh Lord? We are long overdue for judgment in America. As conditions worsen in our nation, we can say nothing against Thee, because we get what we deserve.

So the next time you turn on the news and hear about the most hideous and heinous of crimes being committed by your fellow Americans, just remember that we stopped leading our public school children in prayer to God in 1962, and we stopped teaching public school children the Word of God in 1963. Americans get what we deserve.
